

ABOUT SYMG:

Southern Yosemite Mountain Guides is one of North America's premier active travel & guiding services. Founded in 1991 and based outside of the south entrance of Yosemite (Oakhurst/Bass Lake), SYMG specializes in backpacking, stock-supported trekking, rock climbing and natural history trips. We operate primarily in the Sierra Nevada, from Yosemite south through Sequoia & Kings Canyon National Parks. We are proud to have been named “Best Outfitter on Earth” and “Best Adventure Travel Company” by National Geographic Adventure Magazine. SYMG typically employs 15 guides during the summer guiding season. Please visit our website at www.symg.com to learn more.

WHAT IS PROVIDED:

- Mentorship in all aspects of the industry, including guiding, sales, office operations, etc.
- Participation in SYMG's 6-day Guide Training Course
- Subsidized shared company housing
- Mileage reimbursement for any company related driving
- \$14 p/hr (or \$560 p/wk approximately based on hours worked)
- Uniforms and other gear
- Pro-purchase deals from most outdoor gear and clothing companies

Responsibilities:

This is for a four month position that primarily focuses on backcountry expeditions. The responsibilities of the position includes supporting trip logistics (assisting with food and gear prep), repair and maintenance of SYMG gear, trip resupplies (purchasing and repackaging food, driving resupplies to different locations, meeting groups with resupplies and helping with cooking, cleaning, etc.), assisting with potential evacuations or unforeseen needs that arise, and end of season inventory. In addition there will be opportunities to guide during the season which will be dependent on scheduling and staffing needs.

Requirements

- Twenty-one years of age
- Wilderness First Responder and CPR training is the minimum medical certification
- California Food Handler's Certificate (available and reimbursed after start date)
- Leave No Trace Awareness Training (available and reimbursed after start date)
- Valid Driver's License

Preferred

- Prior experience in trip support and logistics.
- Prior experience with a variety of backcountry gear repair

To Apply:

Email a cover letter, resume, and a brief description of your personal multi-day wilderness trips to info@symg.com.
